BENDIGO AMATEUR SOCCER LEAGUE INC.

1993 YEARBOOK

The Bendigo Amateur Soccer League Inc. wish to thank their sponsors for assistance given to all levels of soccer in the Bendigo District.

Without sponsors all clubs and their members would not have the equipment or facilities they currently enjoy.

The Association ask that all soccer players, administrators and supporters do their best to support those sponsors who support soccer and in particular those who advertise in this Year Book.

INTRODUCTION

The 1990s will prove to be a transition period for Bendigo Soccer.

The Victorian Soccer Federation is now actively assisting regional Leagues in promoting and developing the game in Country Victoria. To their credit they are recognising that soccer exists outside of Melbourne and this new approach is already proving beneficial to our younger players.

1991/2 and 1992/3 saw our youth team playing in the V.S.F. Youth Development Series, in which they have performed admirably. 1993 saw our 1992 Champions, Eaglehawk, taking part in the Dockerty Cup, the first club team from Bendigo to do so. Later this year we will see Under 12 and Under 14 teams taking part in a round robin talent identification scheme along with Melbourne based regional teams.

In view of the increased involvement by the V.S.F. in the country regions it was very disappointing that we were unable to get enough interested people to do a basic Level 1 coaching course in February this year. With some 80 or so junior teams the lack of interest was surprising. On a positive note I would like to congratulate the 15 people who were undertaking the Level 2 Course in March 1993. Unless we can get more adults interested in coaching, as qualified coaches, our youngsters will never be allowed to achieve or develop their full potential.

I would like to extend my congratulations to all the Championship, Cup and Individual award winners in 1992 and I wish them well in 1993.

On behalf of the League I would like to welcome Daylesford/Hepburn United to our competition and with the return of Castlemaine at senior level we should see greater competitiveness in the Mens Divisions.

Finally my thanks to the many people and workers behind the scenes who make soccer possible in our region. I hope you will enjoy your involvement in soccer in 1993 and I wish you every success this year.

A PREVIEW OF 1993

They say it's never over "Until the fat lady sings", but out at Eaglehawk, they are so confident of taking out the 1993 Championship, they reckon she can start sharpening up her vocal chords now. The other clubs will obviously take a different view, however the 'Borough have every reason to be confident.

Whilst last years successful coach, Michael Kearin has been forced to relinquish the position because of work commitments, they have appointed a more than adequate replacement in long time club stalwart, Albert Schepers. With the return of Ben McDermid after a year with Green Gully and Fitz Parker from England, plus the signing of David Fairburn from White Hills, the squad has been considerably strengthened. Last years runner-up Spring Gully will be hoping to go one better this year, it has appointed John Johnson, who has had considerable experience in Melbourne, as player/coach, (it's fifth in as many years) and has gained the services of Cameron Price and Tony Cavoli from White Hills. With the return of striker Ibo Gulden from an enforced absence, the 'Gully' will be strong challengers.

Golden City has regained the services of top mid-fielder, Michael Anderson, as player/coach, but has lost Paul Cybula and Neil Thompson to Melbourne Club Doncaster. City will be relying on it's youngsters to prove their potential, if it is to have any hope of success.

Colts United, has Paul Ayre as coach, it has not added to it's squad and will struggle to improve on last years position.

Of the others, Strathdale, like Golden City, will be relying on it's younger brigade. It will probably win more games than it loses, without being a threat.

Kyneton Districts has basically the same team and still lacks 2 or 3 quality players and faces another uphill battle.

White Hills, has been decimated by the loss of half of it's 1992 squad and will struggle. Epsom, without a win last year, will definitely improve on that performance, it's sheer enthusiasm could see it move away from bottom place.

Castlemaine, after an absence of some 4 years from the League, has a mixture of experience and youth, it will find the competition too strong.

Newcomers, Daylesford/Hepburn United from the Ballarat League, will be something of an unknown quantity. It will probably find the competition to be a lot stronger than in Ballarat, anything more than a mid table postion will probably prove to be a bonus.

Come September we could see the final table looking something like this.

1. EAGLEHAWK
2. GOLDEN CITY
3. SPRING GULLY
4. STRATHDALE
5. COLTS UNITED
6. WHITE HILLS
7. DAYLESFORD/HEPBURN UNITED
8. KYNETON
9. EPSOM
10. CASTLEMAINE

A REVIEW OF 1992

1992 was the year of the Hawk as far as Bendigo Soccer was concerned, with Eaglehawks youth policy at last bearing fruit, when it took out it's first Mens Championship and completed the double by defeating a spirited Colts United in the Knock-out Cup Final, after extra time. Spring Gully finished runner-up, failing to make it three titles in a row and was the only threat to the "Borough". Golden City after a bright start, when it took out the League Cup, suffered through lack of depth and some strange team selections and faded out of contention. White Hills/YMCA and Colts United, fancied to do well, were the big disappointments, with Colts finishing in it's lowest position for years. Strathdale, flattered to deceive and did it's usual disappearing act, whilst Kyneton had Epsom to thank for saving them from the dreaded wooden spoon. Colts gained some consolation, when it took out a lack lustre 5-A-Side event. In Division 2, Eaglehawk, took out it's first ever major title when it overcame Colts United in an entertaining League Cup Final. The Division 2 championship was a titanic year long struggle with any one of the eventual top 4 teams in with a chance of the title, Spring Gully's strength and experience finally proving to be decisive, with Colts United finishing runner-up. Golden City overcame a Red Card rash and Eaglehawk, to win the Knock-out Cup, whilst an ecstatic Epsom surprised everyone, including themselves by winning the 5-A-Side.
Golden City continued it's dominance in the Youth division, when it claimed it's second consecutive clean sweep of the honours. Strathdale and Epsom made City fight all the way in the championship race with Strathdale eventually finishing runner-up.
Spring Gully found it's form of the 1980s in the Womens Division when it came from third last in 1991 to take out the League and Knock-out Cup double, a tremendous performance. Eaglehawk finished as runner-up and had some consolation when it won the League Cup and the 5-A-Side.
In the Junior competiton, Eaglehawk dominated the Under 12s completing the League and Cup double, with newcomers Kyneton finishing runner-up in the League. Marong/Kangaroo Flat proved to be too strong in the Under 14 League Championship winning from Spring Gully. Golden City took out the Knock-out Cup.
In the State League Youth Summer Series, Bendigo after a disastrous start to the season, didn't lose a game after the mid season break and finished in a commendable fourth place.
The Womens Representative team won it's second consecutive Country Championship, whilst the Men finished a disappointing third in it's effort to win back to back titles.
In the Junior Country Championships, Bendigo again performed well, with the Under 11 and Under 16 teams winning their respective age groups.

On the Individual Awards, Steve Graham won the coveted 3BO Medal as the Best and Fairest in Division 1. The Best and Fairest in Division 2 went to young Brian Caruana, with Heath Keetelaar receiving the Youth Division Award. The Womens award deservedly went to Maree Angove, surely one of the best Women players to have played in Bendigo.
The "John Webb Trophy" for the Young Player of the Year, was shared by Darren Scoble and Matt Umina, whilst Antoinette Labour was voted as the best Young Player in the Womens Division. Darren Scoble won the award for the Best Player in the Mens Representative team, with Sue Cole and Maree Van Dalen sharing the honour in the Womens Representative team.
The Presidents Award for an outstanding contribution to Bendigo Soccer, was presented to the hard working Carol and Terry Gormley. Carol and Terry have the unenviable task of Records and Registrations Officer, anyone who is prepared to take on this task deserves every recognition they receive.
The League took great pleasure in presenting Mel McGovern with a Life Membership of the B.A.S.L. Inc. in recognition of his services in a number of capacities over many years.

"Roller Skate In Air Conditioned Comfort"

THE FOLLOWING LAW CHANGES, INSTRUCTIONS AND RECOMMENDATIONS WILL TAKE EFFECT FROM JANUARY 1st 1993

LAW 4 PLAYERS EQUIPMENT.
New Text Thermopants (Cycling Shorts) must be of the same colour as the shorts of the team of the player wearing them and **must not extend beyond** the top of the knee. (This does not apply to "Thermoskins" or other therapeutic devices)
New Text. For any infringement of this and any other "Dress Code" Laws, the player shall be instructed to leave the field of play, **when the ball is next out of play,** unless by then he has already corrected his equipment.

LAW 5 REFEREES DUTIES
New Text. The referee shall caution and **show a yellow card** to any player guilty of a cautionable offence. The referee shall send off and **show a red card** to any player guilty of a send off offence.
New Decision If a player is sent off for a second cautionable offence in a match, the referee is required to show both the **yellow and red card simultaneously** so that it is obvious that the player is being sent off for **the second offence** and not for an offence requiring immediate expulsion.

LAW 12 FOULS AND MISCONDUCT
New Law On any occasion when a player **deliberately kicks** the ball to his own goalkeeper, the goalkeeper is not allowed to touch the ball with his hands. If the goalkeeper does touch the ball with his hands, he shall be penalised by the award of an indirect free-kick to be taken by the opposing team from the place where the infringement occured, subject to the conditions of Law 13.

LAW 12 - TIMEWASTING
- A player may pass the ball to his own goalkeeper using his head, chest, or knee **in the normal course of the game.** If, however, in the opinion of the referee a player uses a deliberate trick, **in order to circumvent the law,** the player **will be guilty** of ungentlemanly conduct, and **will be cautioned,** regardless of **whether the goalkeeper ultimately handles the ball or not.** In these circumstances, an indirect free kick will be awarded at the point **where the player** (not the goalkeeper even if he handled the ball) committed the offence.

Examples are:-
- Deliberately flicking with his feet up onto his head in order to head the ball to his goalkeeper.
- A player who kneels down and deliberately pushes the ball to the goalkeeper with is knee etc.

LAW 12 TIMEWASTING. INSTRUCTIONS
Referees must be much stricter when dealing with timewasting tactics and administer cautions, particularly when:-
- the ball is kicked away or carried away with the hands after a free-kick has been given.
- players encroach from the defensive wall.
- a player stands in front of the ball when a free-kick has been given against his team, in order to waste time and to allow his team time to organise the defensive wall.

LAW 13 FREE KICK
New Text "Any free kick awarded to the defending team, within its own goal area, may be taken from any point **within the goal area** in which the free kick has been awarded ....

LAW 16 GOAL KICK
New Text When the whole of the ball passes over the goal line, having last been played by a player of the attacking team, it shall be kicked direct into play from any point **within the goal area** by a player of the defending team.

PROFESSIONAL FOULS
The international F.A. Board furthermore issued the following *mandatory instruction.*

If, in the opinion of the referee, a player who is moving towards his opponents' goal with an obvious opportunity to score a goal is intentionally and physically impeded by unlawful means, i.e. an offence punishable by a free kick (or a penalty kick), thus denying the attacking player's team the aforesaid goal-scoring opportunity, the offending player shall be sent off the field of play for serious foul play in accordance with Law XII (m).
